

**"AURA" FOR SALE**

**COLUMBIA 26**

**MARK II**

**SLOOP**

Bill Tripp design. Built 1969, however still in extremely sound condition. Hull exterior in very good condition. The "Aura" has been sailed and meticulously maintained by one owner out of LMYC's sister Grosse Isle Yacht Club for its entire life and has been a familiar sight in Detroit River and Lake Erie waters. This boat has never been raced ... at least not yet!

The Aura is currently equipped with cruising sails and rigging without spinnaker. Minor repairs will be needed to the forestay and foresail roller reefing system and to the head pump, but she is otherwise ready to sail.

The Aura comes equipped with a brand-new Mercury outboard. The transom mounting system is already in place and properly positioned for the new motor.

The Aura is currently lying in winter storage in Gibraltar, Michigan.

Price is negotiable.

For additional information and to make arrangements to inspect the Aura, kindly contact the owner, Ray Wardell in Trenton, Michigan at 734-676-1153.
