

Photo Search – (request)

Since I have very few photos of my late father & past commodore Dale Souilliere, I am sending out this request in hopes of compiling a few. I wish to have some to show my children, (& gulp! future grandchildren). Anyone who has (tasteful) photos of Dale, would you please scan them electronically & fwd. to: dsouilliere@yahoo.ca. Or please call me @ (734) – 285 – 9529, to make arrangements to scan or copy them. I will gladly reimburse anyone for fees incurred in making copies also. Every ones help in this matter would be greatly appreciated.

Sincerely, Dave Souilliere
